

Small Works & Maintenance

www.bamcontractors.ie

Who We Are

BAM Building has successfully delivered quality building projects of all sizes for over 50 years.

The project management competencies of our experienced works teams will satisfy your needs with the highest standard of workmanship.

Research has shown that small projects can be the most difficult to finish.

In our works teams, you will find people that;

- Are interested in your project
- You can trust
- Will deliver to the highest standards
- Are committed and flexible
- Are professional

How We Will Do It

- We have dedicated highly skilled teams
- We pay close attention to detail and provide high quality workmanship
- Our desire is to exceed clients' expectations

What We Will Do

We will provide the following Small Works and Maintenance services;

- Building & Services
- Building Maintenance
- Fit-outs
- Shut down specialist installations
- Emergency repairs

Specifically we will;

- Provide a comprehensive Small Works and Maintenance service, covering all trades
- Meet with you to understand your needs
- Be responsive to your requirements, budget and timeframe
- Provide competitive quotes
- Undertake and manage the design and planning process, as required
- Pre-plan and agree the Works methods and programme
- Progress the Works cleanly and efficiently, adhering to our safety and environmental management systems
- Ensure client satisfaction, within budget

BAM Building Mission Statement

“We deliver projects with professionalism and ingenuity”

Benefits For Clients

- Large organisation supporting even the smallest project
- Comprehensive skilled services at competitive rates
- Immediate response
- Dedicated team, professionally managed
- Understanding our clients’ particular needs
- Safety, Quality and Programme will be fully managed
- Minimum disruption for Client

Our Core Values

- Professionalism and integrity in the conduct of our business
- Successful delivery of projects in partnership with our clients
- Cost consciousness, efficiency and innovation
- The ethical and sustainable generation of profit
- Being the employer of choice

Health & Safety

We are uncompromising in implementing our Health & Safety Management System.

"Work safely or don't work at all"

We are accredited to level 6 of the coveted International Det Norske Veritas Standard and we are also approved by SafeTcert.

We are a recognised leader in Construction Health and Safety.

Quality

We focus on satisfying our clients needs.

"...to complete every project in accordance with the Clients specified requirements"

Our management system is certified to ISO 9001: 2000 by Construction Quality Assurance Ireland, N.S.A.I. & IQNET.

Environment

We are responsible and proactive in our approach to the environment and waste management at every level.

Our Management System is certified to ISO 14001:2004.

"Your environment, your future"
